FOR IMMEDIATE RELEASE

Rice Insurance, LLC - 2017 Inc. 5000 Award

Rice Insurance is incredibly honored to have earned the position of **3310** on the **2017 Inc. 5000 Fastest-Growing Private Companies in America**. This is the 2nd year running for Rice Insurance and an extraordinary accomplishment.

Companies that made the list, on average, have grown six-fold since 2013. That's a result most businesses can only dream of but Rice Insurance, LLC has accomplished it. Out of the nearly seven million private companies moving the economy forward every day, only a tiny fraction have demonstrated such remarkably consistent high growth.

Established in 1946, Rice Insurance, LLC is an independently-owned brokerage offering professional services and specialized insurance throughout the United States. Our endurance has allowed us to build strong affiliations with top rated insurance companies throughout the country. These established relationships allow us to offer our clients competitive rates and comprehensive coverages individualized to meet each customer's or business's needs.

We value and appreciate the trust that our clients have placed in us over the years. We are here to advocate for our clients as we customize their insurance solutions, provide professional and timely service, and offer support with claims and loss recovery throughout the year.

Thank you to all of our clients who helped us in achieving this great accomplishment.
